

JANET W. MCGRATH, PH.D.

BUSINESS ADDRESS: Department of Anthropology
Case Western Reserve University
238 Mather Memorial Building
Cleveland, OH 44106-7125, USA
Phone: 011-216-368-2287 Fax: 011-216-368-5334
Email: janet.mcgrath@case.edu

EDUCATION:

1979	University of Illinois Urbana - Champaign	B.A., Anthropology (minor in French) Summa Cum Laude
1980	Northwestern University	M.A., Anthropology
1986	Northwestern University	PhD, Anthropology

APPOINTMENTS AND POSITIONS:

2014-	Professor of Anthropology, Case Western Reserve University
1993- 2014	Associate Professor of Anthropology, Case Western Reserve University
1986 – 1993	Assistant Professor of Anthropology, Case Western Reserve University
2005-	Associate Professor of Global Health and Disease, School of Medicine, Case Western Reserve University (secondary appointment)
1990 – 2005	Assistant Professor of Global Health and Disease, School of Medicine, Case Western Reserve University (secondary appointment)
2007-	Co-Director, Center for Social Science Research on AIDS (CeSSRA), Case Western Reserve University and Makerere University

FIELDS OF SPECIALIZATION:

International and global health, medical anthropology, HIV/AIDS, Uganda, women's health, social responses to disease, infectious diseases, biocultural anthropology

HONORS AND FELLOWSHIPS:

2014, 2015	Nominee, Wittke Award for Undergraduate Teaching, CWRU
2010	“Doc Oc” Excellence in Teaching Award, Mortar Board Society, CWRU
2005	John S. Diekhoff Award for outstanding graduate teaching
2004	Nominee, Society for Medical Anthropology Graduate Student Mentor Award
1990, 1996	Nominee, John S. Diekhoff Award for outstanding graduate teaching
1979-1982	National Science Foundation Graduate Fellowship
1979	Phi Beta Kappa

MEMBERSHIP IN PROFESSIONAL SOCIETIES:

American Anthropological Association
Society for Medical Anthropology

SMA special interest group: AIDS and Anthropology Research Group
 American Association for the Advancement of Science
 American Public Health Association
 International AIDS Society

PROFESSIONAL SERVICE:

Ongoing	Journal reviewer (various)
Ongoing	Outside committee member (PhD, MA, BA)
2004 -	Board of Trustees, La Jolla Foundation for Microbicide Research
2004 -	Steering Committee, CWRU Center for AIDS Research (CFAR)
2004 -	Co-Director, CFAR Social Science Working Group (previously Prevention Working Group)
2006-	MPH Capstone committees (various)
2014-	Member, AIDS Funding Collaborative (also served 2006-2012)
2014	Reviewer, National Science Foundation, Cultural Anthropology
2014	Reviewer, National Science Foundation, Graduate Research Fellowships
2013	External reviewer, Senior Honors, Oberlin College
2013	Participant, "Ladies Night Out +". National Women and Girls HIV/AIDS Awareness Day. CWRU-UH Clinical Trials Unit, Flora Stone Mather Center for Women.
2012	Reviewer of Faculty Grants, Ohio State University
2011, 2012	NIH reviewer
2011-2012	Organizing Committee, 3 rd Annual CFAR Joint Symposium on HIV Research in Women
2010	Tenure reviewer, University of British Columbia
2008-2011	Society for Medical Anthropology, Board Member
2006	Supervised CFAR Minority Summer Fellow (M. Latigo)
2004	Tenure reviewer, Georgia State University
2003-2006	Board of Trustees, Public Health Productions, Inc.
1999-2001	Reviewer, National Science Foundation, Cultural Anthropology Dissertation Fellowships
1998-2000	Reviewer, National Science Foundation, Graduate Research Fellowships
1996-1997	Member, HIVNET Ad Hoc Committee on Social Harms.
1996	Reviewer, FHI/AIDSCAP, Award for Excellence in Writing on Women and HIV/AIDS
1996	Reviewer, Environmental Protection Agency, Graduate Education 1996 Fellowship Program
1995-1999	HIVNET Behavioral Sciences Working Group (NIH), member
1995	Steering Committee, AIDS and Anthropology Research Group
1994-1996	Advisory Committee on AIDS to Dr. Paredes, President of Society for Applied Anthropology
1993-1996	Commission on AIDS Research and Education, American Anthropological Association
1994	Chair, AIDS and Anthropology Research Group
1993	Chair-elect, AIDS and Anthropology Research Group

- 1993 Chair, Paper Prize Committee, AIDS and Anthropology Research Group
 1991-1993 Secretary, AIDS and Anthropology Research Group
 1990-1993 Executive Committee, American Anthropological Association's Task Force on AIDS
 1990-1991 Steering Committee, AIDS and Anthropology Research Group

UNIVERSITY SERVICE:

- 2014 Executive Committee, College of Arts and Sciences (sabbatical replacement)
 2012- Center for International Affairs Advisory Council,
 2012- Internationalization Visiting Committee, Ex Officio
 1994- Director, Graduate Program and MPH Dual Degree Coordinator, Department of Anthropology
 2010, 2012 Faculty participant, Course on International Health, Center for International Health
 2010-2013 College of Arts and Sciences, Budget Committee (Co-Chair, 2012-2013)
 2010-2013 College of Arts and Sciences, member, Strategic Planning Committee
 2010-2012 Tri-Chair, University Internationalization Strategic Planning Committee
 2010-2011 Coordinator, Anthropology and Global Health Certificate Program
 2010 University Graduate Program Assessment Review Committee
 2008-2009 Co-Organizer, Anthropology and Global Health Lecture Series
 2008 Faculty adviser, Student Global AIDS Coalition
 2007 Graduate Education Strategic Planning Task Force
 2006 Faculty Advisory Committee, MacGregor Foundation, Worldwide Learning Environment
 2005-2009 Faculty Senate Research Committee
 2002-2005 IRB local context consultant, University Hospital
 2002-2005 Executive Committee, College of Arts and Sciences
 2003 Upperclass Experience Committee
 2002-2003 University Undergraduate Faculty Committee on Undergraduate Admissions
 2000-2004 Faculty mentor, Rachel Chapman
 2001, 2003 IRB consultant, CWRU IRB
 1999-2002 Committee on Educational Programs, College of Arts and Sciences, (Chair, 2000-2002)
 2000-2002 University Undergraduate Faculty Curriculum Committee
 1998-2000 Outside member, Doctoral committees (various), Frances Payne Bolton School of Nursing
 1995-1998 Faculty Senator, College of Arts and Sciences
 1994-1996 Committee on the Status of Women Faculty (Chair 1994-1995)
 1994-1996 Graduate Committee, College of Arts and Sciences
 1993-2000 Faculty participant, Course on International Health, Center for International Health
 1993-1996 Board Member, University Development Linkages Program: Case Western Reserve University-Makerere University Public Health Linkage
 1993-1996 Faculty Participant, University Development Linkages Program, *Linkage for technological and health development in Northeast Thailand*
 1993-1994 Recruiting and Marketing Task Force, College of Arts and Sciences.
 1993 Minority Graduate Tuition Waivers Committee

- 1992 Chair, Ad Hoc Committee on International Institutional Affiliations, Center for International Health
- 1990-1991 Member, Faculty Senate Ad Hoc Committee on the Status of Women Faculty
- 1990 Spotlight on CWRU Women Selection Committee
- 1989-1994 Coordinator, Masters Exam, Department of Anthropology
- 1988 Co-developer, LAMBDA core major field proposal
- 1988 Admitted student telethon participant
- 1987-1995 Case Western Reserve University, Women's Faculty Association. Positions held: Steering Committee, Vice President/President-Elect, President
- 1987-1988 Organizer, Graduate Research Seminar
- 1987-1991 Freshman advisor
- 1987-1990 Interviewer, University scholarships
- 1986 Alumni telethon participant

TEACHING:

Annually:

- Introduction to International Health
- Anthropological Research Design
- Introduction to Medical Anthropology and Global Health, I and II (faculty participant)
- Fundamentals of Global Health (faculty participant)

In rotation:

- Anthropology and Public Health
- AIDS: Epidemiology, Biology, and Culture
- Urban Health
- Seminar in Global Health
- Biocultural Anthropology
- Power, Illness, and Inequality: Political Economy of Health

Past teaching:

- Worldwide Variation in Human Biology
- Epidemiology and the Evolution of Human Disease
- Critical Thinking in the Social Sciences

PUBLICATIONS

THESIS:

- Ph.D. A Computer Simulation of the Spread of Tuberculosis in Prehistoric Populations of the Lower Illinois River Valley, 1986

PUBLICATIONS IN REFEREED JOURNALS:

- 1991 McGrath JW, Ankrah EM, Schumann DA, Lubega M, Nkumbi S. The psychosocial impact of AIDS in urban Ugandan Families. Presented at the VII International Conference on AIDS, June 1991.
- 1991 Rwabukwali CB, McGrath JW, Schumann DA, Mukasa R, Nakyobe L, Namande B, Nakayiwa S, Carroll-Pankhurst C. Socioeconomic determinants of sexual risk behavior among Baganda women in Kampala, Uganda. Presented at the VII International Conference on AIDS, June 1991.
- 1991 McGrath JW, Janata JW, Carey JT. The impact of psychosocial factors on immune function in HIV-infected persons. Presented at the American Association of Physical Anthropologists meetings, April 1991.
- 1991 McGrath JW, Schumann DA, Rwabukwali CB, Carroll-Pankhurst C, Marks J. "Zero grazing" and "Loving Carefully": Baganda women's Response to AIDS. Presented at the Society for Applied Anthropology meetings, March 1991.
- 1990 McGrath JW, Rwabukwali CB, Schumann DA. Cultural determinants of sexual risk behavior among Baganda women. Presented at the American Anthropological Association meetings, November 1990.
- 1990 Schumann DA, Rwabukwali CB, McGrath JW. Maternal HIV infection in Uganda: The social and cultural context of high-risk behaviors. Presented at the American Public Health Association meetings, October 1990.

- 1990 Rwabukwali CB, Schumann DA, McGrath JW. International collaboration on AIDS research: The social organization of risk behaviors in HIV transmission in Kampala, Uganda. Presented at the National Council for International Health meetings, June 1990.
- 1989 Ankrah EM, McGrath JW, Schumann DA, Nkumbi S, Lubega M. The impact of AIDS on family structure and function in Uganda. Presented at the American Anthropological Association meetings, November 1989.
- 1989 McGrath JW. An anthropological and epidemiological survey of AIDS in Africa. Presented in a symposium, "The Biocultural Implications of AIDS" at the Human Biology Council meetings, April 1989.
- 1989 McGrath JW, Barone TL. Pre-Columbian tuberculosis: Reconciling skeletal and simulation data. Presented at a symposium on Mycobacterial and Mycotic Disease at the Paleopathology Association meetings, April 1989.
- 1988 McGrath JW. Behavioral change and the evolution of human host-pathogen systems. Presented in a symposium, "Biological Approaches to Health and Lifestyle Change" held at the American Anthropological Association meetings, November 1988.
- 1988 McGrath JW. Social disruption as a factor in the disease-environment equation. *American Journal Physical Anthropology* 75(2):248 (ABSTRACT). Presented at the American Association of Physical Anthropologists meetings, April 1988.
- 1987 McGrath JW. Social disruption as a factor in disease biology. Presented at the American Anthropological Association meetings, November 1987.
- 1987 McGrath JW. Multiple equilibria of disease occurrence: implications for the study of human disease. *American Journal of Physical Anthropology* 72(2): 232-233 (ABSTRACT). Presented at the American Association of Physical Anthropologists meetings, April 1987.
- 1987 McGrath JW. Networks of disease spread in the lower Illinois Valley: a simulation approach. Presented at the Seventh Annual Sunbelt Social Networks Conference, February 1987.
- 1986 McGrath JW. A computer simulation of the occurrence of tuberculosis in prehistoric North America. *American Journal of Physical Anthropology* 69(2): 238 (ABSTRACT). Presented at the Association of Physical Anthropologists meetings, April 1986.
- 1985 McGrath JW, Richtsmeier JT. Heritability of nonmetric traits in random-bred mice. Presented at the joint meeting of the Society of the Study of Evolution and the American Society of Naturalists, June 1985.

- 1984 Richtsmeier JT, McGrath JW, Cheverud JM. Heritability and etiology of nonmetric traits in random-bred mice. *American Journal of Physical Anthropology* 63(2): 208 (ABSTRACT). Presented at the American Association of Physical Anthropologists meetings, April 1984.
- 1983 McGrath JW, Cheverud JM, Buikstra JE. Genetic correlations between sides and heritability of asymmetry for nonmetric traits in rhesus macaques on Cayo Santiago. *American Journal of Physical Anthropology* 60(2): 224 (ABSTRACT). Presented at the American Association of Physical Anthropologists meetings, April 1983.

SELECTED PRESENTATIONS (COMMUNITY OR NONREVIEWED ABSTRACTS):

- 2013 Presenter, Culture and Health, Cleveland Clinic
- 2012 *Center for Social Science Research on AIDS*. Case Western Reserve University CFAR Scientific Retreat. February 2012. (with CeSSRA team)
- 2010 Panelist, Global Health, Oberlin College
- 2008 Presenter, Global Medical Initiative fundraiser
- 2006 Panelist, IAS meeting review, AIDS Funding Collaborative
- 2006 Panelist, AIDS Week of Action, AMSA, Physicians for Human Rights
- 2006 *Social Challenges in developing an HIV microbicide*. World Health Interest Group Seminar (February); Center for AIDS Research (May)
- 2005 *HIV treatment for women in Uganda: Availability, access, and public policy*. Presented to the Public Policy Forum. November 2005. (with Mafigiri DK, Rundall SA)
- 2004 *Shifting paradigms in HIV prevention for women: Redefining risk, control, and empowerment for women in Africa*. Presented at "HIV/AIDS in Africa: Gender, Agency, and Empowerment", the 30th Annual Spring Colloquium of the Center for African Studies, University of Illinois, April 2004
- 2003 *Microbicide acceptability: What do we know, what don't we know, and what does it mean to you?* 2003 Microbicide Consortium Conference. La Jolla, CA. December 5-6, 2003
- 2002 *Acceptance of microbicides and other social issues*. Presented at "Topical microbicides to prevent HIV transmission". Cleveland, OH, December 8, 2002
- 2000 Facilitator, Women's advocacy for a healthy community. CWRU Center for Women
- 1997 Presenter, *NIH Consensus Development Conference on Interventions to Prevent HIV Risk Behaviors*

- 1994 *The risk of AIDS in Ugandan women*, CWRU Center for International Health
- 1994 *International Perspective on AIDS*. Mandel School of Applied Social Sciences
- 1992 *Genes and disease*. Presentation to students at South Dorms
- 1992 *From plague to AIDS: Biocultural perspectives on human disease*. Spotlight on CWRU Women series
- 1992 *Great Decisions, AIDS*. Cleveland Heights Public Library
- 1990 *Anthropology and world issues: Anthropology and AIDS*, Freshman seminar
- 1990 *The biological impact of social response to epidemic disease*, CWRU School of Medicine
- 1990 *AIDS*. After 9, WCPN radio
- 1989 Organizer and presenter. CWRU for a Day “Epidemics from the plague to AIDS”
- 1989 *Social Science and AIDS*. Anthrolink, Cleveland State University
- 1989 Panelist, Women’s Center Forum, “What is a Women’s Center? Why is feminism a dirty word?”

RESEARCH PROPOSALS (FUNDED):

- 2007-2013 Principal Investigator, (25%). National Institutes of Child Health and Development (NIH). *Center for Social Science Research on AIDS (CeSSRA)*. \$1,718,587
- 2004-2007 Investigator, (5%). National Institutes of Health (NIH). *Development of PSC-RANTES in clinical microbicide trials*. \$422,882
- 2006-2007 Investigator, (5%). National Institutes of Health (NIH). *Antiretroviral outcomes and resistance in African women*. \$150,000
- 2002-2003 Principal Investigator, (25%). National Institute of Allergy and Infectious Disease (CFAR/NIH). *HIV treatment for women in Uganda*. \$75,897
- 2001-2002 Principal Investigator (0%). National Institute of Allergy and Infectious Disease (CFAR/NIH). *Feasibility of clinical trials of vaginal microbicides for the prevention of HIV infection in Kampala, Uganda*. \$25,000
- 1997-2002 Co-investigator, (5%). National Institutes of Health (HIVNET/NIH). *Clinical trials of vaccine and non-vaccine interventions for HIV prevention in developing countries*.

- 1997-2000 Co-Principal Investigator, (15%). National Institute of Allergy and Infectious Disease (HIVNET/NIH, CFAR). *Phase 1 trial of an intervention to increase condom use in HIV discordant couples*. \$144,352
- 1996-1998 Investigator. National Institute of Allergy and Infectious Disease (HIVNET/NIH). *Preparation for AIDS Vaccine Evaluation*.
- 1995-1996 Co-Principal Investigator. Center for Field Research. *Patterns of parent-child communication in HIV-impacted families*. \$33,600
- 1990-1994 Co-Investigator, (30%). U.S. Agency for International Development (USAID). *The sociocultural context of AIDS prevention: The AIDS Information Center and behavioral change in Uganda*. \$600,000
- 1988-1992 Co-project leader, (7%). National Institute of Allergy and Infectious Disease (NIH) *Family structure and the organization of risk behaviors*. \$81,593

FUNDED TRAINING/STUDENT RESEARCH:

- 2011-2012 Co-Investigator (10%). Fogarty International Center (NIH) *GhREAT: Global Health Research Expanding Advanced Training*. \$80,378
- 2008- 2012 Faculty Participant. Fogarty International Center (NIH) Framework Program for Global Health, Center for Global Health and Disease, CWRU School of Medicine.

RESEARCH PROPOSALS (DENIED):

- 2013-2018 Principal Investigator (15%). National Institutes of Health (NIH). *Makerere University Program on Social Science Research on AIDS*. \$1,348,816
- 2012-2017 Principal Investigator (15%). National Institute of Child Health and Development (NIH). *Disclosure of HIV status to children: Policy and practice in Kampala, Uganda*. \$2,317,478
- 2012-2014 Investigator. Fogarty International Center (NIH), (6 ay, .6 summer). *Worldwide wireless disease outbreak containment system (wwwDOCS)*.
- 2011-2016 Project Leader, (15%). National Institutes of Health (NIH). *Mapping the landscape of microbicide use and acceptability of 5P12-RANTES in HEC gel*. \$1,341,650
- 2011-2015 Investigator. National Institutes of Health (NIH), (1.2 cal months). *Alcohol related, high-risk sex and seeking of HIV VCT in Uganda*. (Subcontract to University of Wisconsin). \$149,330
- 2010-2011 Co-Principal Investigator, (5%). National Institutes of Health (NIH). *Using "expert clients" in HIV care and treatment in Uganda*. \$204,768

- 2006-2010 Principal Investigator, (25%). National Institutes of Health (NIH). *Promoting informed decision-making by African Americans about HIV/AIDS trials*. \$2,645,777
- 2005-2009 Principal Investigator (20%). National Institutes of NIH. *Barriers to African American participation in HIV trials*. \$1,768,014
- 2002-2007 Co-project leader (15%). National Institutes of Health (NIH). *Topical agents to prevent mucosal HIV transmission*. \$9,904,680
- 2000-2005 Principal Investigator (20%). National Institutes of Health (NIH). *Social acceptability of vaginal microbicides for HIV prevention*. \$1,278,250
- 1996 Principal Investigator. Wenner Gren Foundation for Anthropological Research. *Beliefs, attitudes, and behavior related to cervical cancer*. \$14,955
- 1995-1999 Co-Investigator (20%). National Institute of Allergy and Infectious Disease (NIH). *Non-vaccine prevention trials*. \$8,478,844
- 1995-1997 Principal Investigator. National Institutes of Health (NIH). *HIV risk reduction in stable partnerships in Uganda*. \$520,173
- 1993 Principal Investigator (2 mo summer salary). National Science Foundation. *The impact of AIDS on the proportion of households headed by elderly Baganda in Uganda*. \$49,137
- 1992-1993 Principal Investigator. American Foundation for AIDS Research. *The impact of AIDS on the elderly in Uganda*. \$54,114
- 1990 Co-Principal Investigator. Western Reserve AIDS Foundation. *Behavioral cofactors for the development of AIDS*. \$9680
- 1989-1992 Principal Investigator (50%). National Institute of Mental Health (NIH). *Behavioral co-factors in the development of AIDS*. \$245,325.50
- 1989 Co-Principal Investigator (1 mo summer salary). National Science Foundation. *Modelling the effect of epidemic disease in virgin soil populations*. 39647.37
- 1988-1989 Principal Investigator. Wenner Gren Foundation for Anthropological Research. *The Zuni Demographic History Project*. \$2999.00
- 1987-1988 Principal Investigator. American Philosophical Society. *Zuni Demographic History Project*. \$2999.00

CONSULTANCIES:

- 2007-2009 Doris Dukes Charitable Foundation. *Mobile ARV pharmacy at TREAT sites in Rural Uganda.*
- 2001-2002 Health Care Foundation of New Jersey. *A community outreach program for HIV education, counseling, and testing in African Americans in Newark.*
- 1999-2000 National Institute of Mental Health (NIH). *HIV/STD Prevention Trials Data Coordinating Center, RTI.*
- 1996 National Institutes of Health. *A study of the safety and immunogenicity of live recombinant canary post ALVAC-HIV in HIV-1 uninfected adult volunteers in Uganda.*
- 1995 World AIDS Foundation. *Training of health professionals for youth-focused HIV/AIDS control in Ethiopia.*

UNIVERSITY RESEARCH SUPPORT:

- 2014 ACES+ Advance Opportunity Grant, *Attendance at Executive Course on Global Health Diplomacy, The Graduate Institute, Geneva, June 2014.* \$5000
- 2005-2006 Project Director. ACES Opportunity Grant. *HIV Treatment in Uganda.* \$7350
- 1990-1991 Co-Principal Investigator. CWRU Research Initiation Grant. *Effect of behavioral and psychosocial factor on immunological functions.* \$4854.18
- 1986-1988 Principal Investigator (0%). CWRU Research Initiation Grant. *The Zuni Demographic History Project: The Role of Infectious Disease in Population Decline.* \$4728

SUPERVISED COMPLETED PH.D'S (funding source listed in parentheses):
