

KRISTINE CAMPER

camperkristine@gmail.com | 216-644-8545 | 3516 Lexington Lane , Brunswick , OH 44212

Summary

I aim at bringing enthusiasm and energy to any work environment through leadership and determination to achieve more. I hold myself and others to high standards and earn the respect of those that I work with and whom I work for. My actions speak loudest and show my loyalty and commitment to my job.

Skills

- Advanced understanding in BCS (Bosnian, Croatian, and Serbian) languages
- NVivo software for qualitative coding
- Quantitative analytics and data management
- Excel and Microsoft Office applications
- Adobe products including Photoshop and Illustrator
- Public speaking and Powerpoint presentations

Experience

Qualitative Researcher

08/2018 - Current

Case Western Reserve University | Cleveland, OH

- o Completed 4 independent projects using ethnographic methods including participant observation, development and dispersal of surveys, and recruiting individuals and focus groups for voluntary interviewing
- o Planned, tested, and executed research questions and analysis through literature reviews, budget creation, and application for multiple grants
- o Collaboratively created intervention and prevention strategies that were culturally sensitive and appropriate based off of community responses
- o Developed a public anthropology educational video on reliable and accessible resources for students seeking aid after sexual violence
- o Recorded over 80 hours of research on conflict and crisis management for refugee, immigrant, and asylum seeking populations from 5 different geographic locations

Sales Associate

05/2018 - Current

Appalachian Outfitters LLC | Peninsula, OH

- o Acted as a gatekeeper between upper management and customer base to increase profit margin while creating a better sense of community
- o Achieved top sales associate within the first month of hiring
- o Acknowledged by managers and customers on persona; performance, knowledge, patience, and friendliness; qualities noted for encouraging customers to bring in their friends for my assistance
- o Contact-person for social media publications including blog posts and magazine articles to increase foot-traffic in the store
- o Promoted to key holder within the first month of hire

English Foreign Language Instructor

08/2017 - Current

Paper Airplanes | Damascus, Syria

- o Personalized lesson plans for my student aiming at her interests of medicine and health
- o Oversaw and scored progress and assessment tests before, during and after courses
- o Increased student's test scores 15% from "advanced" to "near fluent" speaker by targeted lesson strategies
- o Received high remarks for the creativity of classroom lesson plans, instructional techniques, and exceeding expectations from students, and overseers

Peer Health Advocate and Educator

12/2014 - 05/2018

HAWKS at Miami University | Oxford, OH

- o Promoted to handling scheduling and other administrative duties, outreach efforts, and presentation creation within first months of hire
- o Successfully led personal and group training programs for new recruits on public speaking, handling sensitive topics related to sexual violence education programs, and being an open and available resource for students who needed help
- o Motivated students to become involved due to my ease and comfort displayed by presenting to groups of 100+ individuals on sensitive health topics
- o Personally approached by multiple students asking me to be a confidant because they felt safe and understood by me
- o Acknowledged by leadership team, managerial staff, and customer base as the energy of the team working to motivate others by my actions
- o Increased recruitment of new peer health leaders by 25% after being lead presenter

Summer Camp Counselor

05/2017 - 09/2017

YMCA Camp Fitch | North Springfield, PA

- o Created and led a new program that was at capacity for the first session and was re-designed for expansion from which I learned administrative efficiency
- o Delegated team members on new projects to create an enjoyable, widening, and challenging experience for the campers
- o Asked to return every following summer by the camp director as well as offered a promotion for a full-time job opportunity
- o Guided, mentored, and counseled adolescents and at-risk youths in low-income areas, and built positive relationships to help achieve personal and spiritual goals
- o Counseled individuals, and formulated counseling activities based on 3 years of peer health training from Miami University to help individuals overcome self-harm, anxiety, and depression to help strengthen individual self-confidence and personal self-worth

Pharmacy Technician

08/2014 - 01/2017

Cvs Pharmacy Inc. | Oxford, OH

- o Go-to technician to handle delicate customer care issues
- o Recommended for hire by managers at 3 different locations for seasonal relocation
- o Educated newly hired technicians on pharmaceutical systems and database tracking medications, insurance, and private customer information
