

MEET THE SIs

MATH 121, Fall 2025

HARPER SMYTH

Second-year majoring in Biochem (pre-med)
and minoring in Chemistry and Medical
Sociology

Fun Facts:

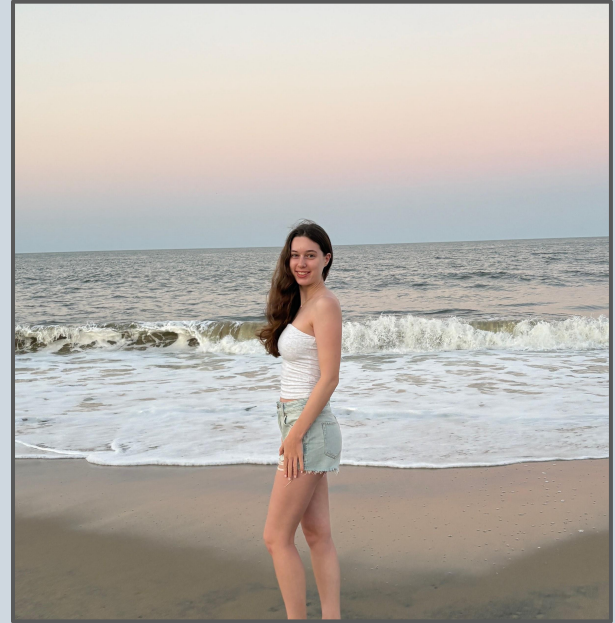

1. I hit and dented a moving car while biking to work and biked away
2. I've jump started my car three times

GABBY MENDELSON

Second year majoring in Chemistry
(pre-health)

Fun facts:

1. My car once got dented from a hit and run by a bicyclist
2. I accidentally woke up in the middle of a surgery

RIA DUGGAL

Second year majoring in Chemical
engineering & Economics

Fun facts:

1. Expelled from preschool
2. Can say the alphabet backwards

CALEB GREEN

Second year majoring in Chemical
engineering & Economics

Fun facts:

1. Did a 100 mile bike race
2. Has eaten 3 chipotle bowls in 1 sitting

KELSEY ELO

Second-year majoring in Mechanical Engineering, minoring in Biomedical Engineering and Business Management

Fun Facts:

1. I have a pet tortoise
2. I didn't know I tore my acl for a month

TIENNA ZENG

Second-year majoring in Chemistry
(pre-health), minoring in Music and Math

Fun facts:

1. I have a scuba diving license
2. I have a really fat cat

HALASYAM VISVANATHAN

Second-year majoring in Electrical engineering

Fun Facts:

1. I have 8 cats
2. I once stuck a fork into an electrical socket

HILDA MONTALVO

Third-year majoring in Biochemistry (pre-med)
and minoring in Chemistry and Psychology

Fun Facts:

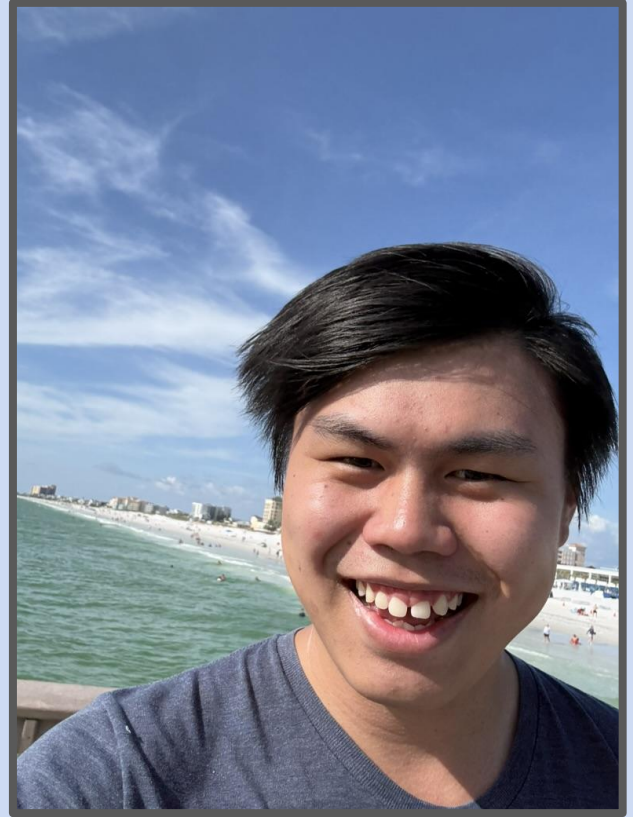

1. I've never lost a fight to a goose
2. I ate my twin in the womb

ANTHONY YING

Second-year majoring in Math and Physics, minoring in German and Chemistry.

Fun facts:

1. I can do a backflip on ice
2. I am certified to provide first aid in Germany

SOPHIE AVE'LALLEMANT

Third Year Electrical Engineering
Student

Fun facts:

1. Socks and sandals enthusiast
2. Most powerful Math SI
