

The background is a stylized underwater scene. At the top, several bright sunbeams radiate downwards from the center. The water is depicted with horizontal wavy lines in various shades of blue. At the bottom, there is a dark blue silhouette of the ocean floor, featuring various coral reefs, seaweed, and small fish. Some fish are white with dark outlines, while others are solid dark blue. Small white bubbles are scattered throughout the water.

MEET THE SIs

Math 121, Fall 2026

TIENNA ZENG

Junior

Major: Chemistry (pre-health)

Minor: Math

I have a scuba license

I had to retake Math 121

HILDA MONTALVO

Senior

Major: Biochemistry

Minor: Psychology and Chemistry

I can't swim

I failed this class

HARPER SMYTH

Junior

Major: Biochemistry

Minor: Sociology and Chemistry

Math 121 was my least favorite class at cwru

I've capsized a sailboat

GABBY MENDELSON

Junior

Major: Nutritional Biochemistry and
Metabolism

I was a passenger on a
capsized sailboat

I reached level 5,500 on candy
crush

DUC HOANG

Junior

Major: Applied Math

I play pool

I did not take this class

LENA BOOKHAMER

Sophomore

Major: Civil Engineering
Environmental Track

I love to rock climb!

My favourite food is pickles.

SOPHIA KARKI

Sophomore

Major: Economics, pre-med

I am allergic to peanut butter.

I love Just Dance.

MOLLIE ACKERMAN

Senior

Major: Computer Science

I can snowboard

I'm a twin

EVE RHOADS

Year: Junior

Major: Chemistry

Minor: Math and Biology

I can do a cartwheel

I have four cats
