

LEARN HOW YOU COULD SAVE A LIFE

Join NMDPSM and Case DEM for a swab
event to learn more

Patients with blood
cancers need you!

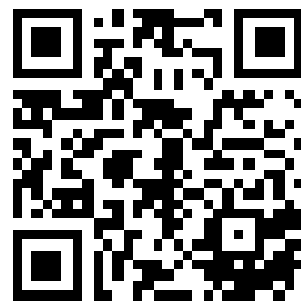

75% of patients needing a blood stem cell transplant don't have a fully matched donor in their family. They depend on NMDP to find an unrelated donor.

Date September 5, 2025

Time 11 AM to 2 PM

Location Case Western
KSL Oval

Can't attend the event?
