

CROSSROADS OF HEALTHCARE

Healthcare **Affordability Talk** WITH DR. ROTHBERG

Dr. Michael B. Rothberg is Vice Chair for Research in the Primary Care Institute at Cleveland Clinic and Professor of Medicine at Case Western Reserve University. His work focuses on improving healthcare decision-making for patients and physicians alike.

Join us for an important discussion on making healthcare accessible and affordable for everyone.

MARCH 16TH

4:30 PM - 5:30 PM
