

WORLD HEALTH FAIR

NOVEMBER 18TH | 5-7PM | THWING ATRIUM

Created to celebrate global wellness, cultural harmony, and shared understanding in health.

Cultural tabling: Student organizations will share how healthcare is practiced, viewed, or celebrated within their country or culture.

Interactive stations: Engaging activities such as “Pin Your Country on the Map,” henna, and a herbal tea-tasting station.

Expert panel and discussion:

Health professionals from Cleveland Clinic, University Hospitals, and the CWRU School of Medicine will discuss global healthcare equity, strengths, and challenges.

“WE ARE BUILDING A SPACE THAT HONORS THE DIVERSITY OF HEALTHCARE EXPERIENCES WORLDWIDE.”
