

# Looking Back on 2025 for Refugees in the U.S. + Naturalization Workshop

Friday, Jan 30 from 7-8 p.m.  
Thwing 224  
Zoma Ethiopian Restaurant  
Extra Credit: MATH 122

Students for Refugees will be coming together for the first time during the spring 2026 semester to discuss the challenges faced by refugee communities in the U.S. and the American refugee advocacy space since the current federal administration began last year. We'll also be hosting a naturalization workshop, in which CWRU students can answer questions from the official U.S. naturalization test for American newcomers, some of which may be harder than you think!
