*What is the family today? How has it changed over the last century? How will it change in the future? The course considers the factors that affect mate selection. It also examines parenting, roles of husbands and wives, and family dysfunction, and divorce.*

## **SOCI 250: Law and Society: Law, Rights and Policy 3-week session | May 14 - June 1**

MTuWThF 9:30 AM - 12:00 PM, Brian Gran

*How do rights, including human rights, fit in the legal system and society? We will ask how legal actors, like judges and lawyers, think about rights compared to non-lawyers. We will (try to!) observe court hearings in a an Ohio Appellate Court and a local small claims court. We will closely examine legal institutions, such as correctional facilities. We will benefit from hearing experts, local, national, and international, discuss how "law" works and whether rights are useful to making change. We will hear from a law school professor on how law school works and what the practice of law is like.*
