Rayleigh to Miller re Flute Book

69, Cadogan Square, S.W.1.
Sloane 3236.

March 28th, 1935

Dear Prof. Miller

I am writing to thank you for the catalogue of Books relating to the flute, which you have so kindly sent. Although only indirectly connected with my own interests, I shall value it as a memento of interesting talks which he had during your visit to England some years ago.

Yours very sincerely
Rayleigh.
