TERLING PLACE,

WITHAM, ESSEX.

TELEGRAMS: TERLING.

My dear Sir

I am much obliged for the photographic rolls which are beautiful & fully executed & must contain valuable data of our corals and interest them better.

I was very glad to make acquaintance of Mr. J. J. J. when he was

over here with
Michelsons. The
courage of men
both these men
in attacking
difficult problems
was to be admired.

I am
Yours truly
Russett
