Letter from Michelson to Abbey.

My dear Mr. Abbey.

Your welcome letter of the 4th inst duly received. In accordance with your suggestion, I have written to Prof. Gibbs, and I have no doubt that he will induce Dr. Smyth to visit Cleveland.

I expect to return within a week. Hoping that yourself and family are in good health and with kind regards in which Mrs. Michelson joins,

I remain

Very truly yours

Albert A. Michelson
