United Way's 2-1-1
United Way's Community Navigation Specialists are here to help and have access to a continuously updated database of over 18,000 government, health, and social service programs. During one-on-one phone and chat sessions, our team uses this comprehensive database to identify the services that best fit your needs, customized to your unique situation.

We're available 24 hours a day, 7 days a week to review your options for help, develop a plan, and act as your advocate if you are faced with barriers to service.
