Please include a 2-3 page essay that answers the following questions:

- Why are you interested in doing a Mann Child Policy Externship?
- What are your future goals and how will an externship benefit those goals?
- What skills, knowledge and experience do you hope to gain from an externship?
- Why do you feel you would be an asset to a child policy organization (i.e. what skills, knowledge and experience do you have that would make you a good candidate)?
- What related courses have you taken that you feel would benefit you in an externship (include courses taken focused on children, on research methods or statistics, on public policy)?
- What have you learned in those courses that would benefit a child policy organization and help you as a child policy extern?
- What do you think are the 2-3 most important policy issues impacting children today and why?
- Which areas of child policy or child related issues you would like to work on?
