

# Call for Papers

## Meteorite

### The Undergraduate Philosophy Journal of the University of Michigan

*Meteorite* is a student-run undergraduate philosophy journal affiliated with the Philosophy Department at the University of Michigan. Our mission is to promote the discussion of novel and thought-provoking philosophical ideas by providing students from diverse backgrounds an opportunity to have their original work published in an academic journal. We are now accepting undergraduate philosophy papers for consideration for our Spring 2022 issue.

Authors of selected papers will be invited to present their work at an undergraduate philosophy conference [virtual or in-person format TBD] hosted by the editors of *Meteorite* and select Philosophy professors of the University of Michigan in early April 2022. More details about the conference will be provided on our website in December: [meteorite.philosophy.lsa.umich.edu](http://meteorite.philosophy.lsa.umich.edu).

**Submission Deadline:** All papers must be submitted for our consideration by no later than **January 1, 2022**. Decisions on all submissions will be made by mid-February, and the issue will be published in April.

**Submission Guidelines:** Email all submissions to [meteorite@umich.edu](mailto:meteorite@umich.edu) with the subject line '[Last Name, First Name] - Meteorite 2022' and adhere to the following guidelines.

**Abstract:** Submissions may include an abstract of no more than 200 words - this is encouraged but not required.

**Citation Style:** Chicago Style citations with notes and a bibliography is preferred, but other citation styles are also acceptable. (Note: authors may be asked to adjust the format of their citations if their paper is selected for publication.)

**Cover Page:** Include a cover page with (1) your name, (2) email address, and (3) affiliated academic institution. Identifying information should appear nowhere else in the paper to ensure an impartial, blind review process.

**File Format:** Please submit papers in a .doc or .docx format and title the document '[Last Name, First Name] - Meteorite 2022.'

**Length:** Submissions should not exceed 6000 words in length and should be double-spaced, Times New Roman 12-pt font. Shorter papers are also acceptable.

**Originality:** Our journal is committed to publishing original student work. Plagiarism of any kind will disqualify your paper from consideration for publication.

**Topic:** *Meteorite* will be accepting analytic OR continental style philosophical papers from any discipline for the upcoming issue.

Authors of papers submitted before the deadline will receive confirmation of submission from the staff at *Meteorite*. Submitting a paper to multiple journals for consideration is allowed, but please keep us informed of its publication status. We look forward to reading your submissions.
