Thursday Oct 6, 2022

Chemistry Open House | 2:00 p.m. - 3:45 p.m.
Agnar Pytte Center for Science Education and Research - Hovorka Atrium

Visit the Laboratories of Chemistry Faculty and engage with current graduate students as they talk about their ongoing research.

Additionally, we invite everyone to visit Millis G10, the site of our state-of-the-art High Field NMR (Nuclear Magnetic Resonance) Facility and the future home of the Chemistry Mass Spectrometry Facility, where our most cutting-edge instrumentation will be housed for investigating new therapeutics and developing advanced materials.

All alumni, parents, and students are welcome to attend and participate in tours of the facility!

Chemistry Department Reunion Kick Off Event: Frontiers in Chemistry Lecture

4 p.m. - 5 p.m. | location TBD

Join us as we welcome all Chemistry Department Reunion attendees with a special update from Anna Samia, Chair of the Department.

Following Dr. Samia’s welcome, Peter B. Armentrout (CIT ‘75), Henry Eyring Presidential Endowed Chair of Chemistry, University of Utah, will present the Chemistry Reunion’s Frontiers in Chemistry lecture, titled “2,500 Bond Energies and Counting: From Rob Dunbar to John Fenn - A CWRU Story”.

Chemistry Reunion Alumni Reception | 5 p.m. - 6 p.m.
Agnar Pytte Center for Science Education and Research - Hovorka Atrium

Following the Lecture enjoy cookies, punch, and fellowship with alumni, faculty and students.

Blue Bash (formerly Blue Block) | 7 p.m. - 9 p.m.
Freiberger Field

Join the Spartan community for the kickoff to homecoming on Thursday evening at Freiberger Field! This year’s new location will offer lots of fun, food, entertainment, and fireworks!
Friday Oct 7, 2022

State of the College of Arts and Sciences | 10 a.m. - 11 a.m.  
Tinkham Veale University Center - Senior Classroom

Dean Joy K. Ward will present an update on the current state of the College of Arts and Sciences. Learn about faculty and student successes as well as future plans during this presentation. There will be plenty of time for attendees to ask questions! Students, alumni, and parents are invited to attend!

Chemistry Alumni Graduate Career Panel | 1:30 p.m. - 2:30 p.m.  
Millis Hall - Room 222

Participate in a graduate student career panel as our alumni share their experiences and career advice with our current graduate and doctoral Chemistry students.

Chemistry Alumni Undergraduate Career Panel | 1:30 p.m. - 2:30 p.m.  
Millis Hall - Room 220B

Participate in an undergraduate student career panel as our alumni share their experiences and career advice with our current undergraduate Chemistry students.

Chemistry Mini-Symposium | 2:30 p.m. - 4:30 p.m.  
Agnar Pytte Center for Science Education and Research - Hovorka Atrium

Balaji “Bala” Venkataraman (GRS ‘90), Founder and Managing Partner, Avego Healthcare Capital, will kick off our Mini-Symposium with his keynote address: “The "Why" of Success: How A Chemistry Degree Can Change Your Life” followed by presentations from CWRU faculty exploring the research areas of Chemical Biology and Materials and Energy.

This program is available to all alumni, parents, and students.

IGNITE: A Celebration of Philanthropy | 5:00 pm - 7:00 pm
By invitation only

Chemistry donors who are members of the College’s Dean’s Society ($1,000 gifts or more annually) are invited to a special reception honoring their philanthropy.

Please contact 216-368-0097 for more information.

Dinner On Your Own | 5:00 p.m. - 7:00 pm

Gather with classmates and new friends to explore your favorite local restaurants in Little Italy or Uptown. For those who are more adventurous, journey to Cleveland’s Flats or E. 4th Street.

Homecoming Concert at the Maltz Performing Arts Center | 7:30 p.m. - 9 p.m.  
Maltz Performing Arts Center, Silver Hall

Join the CWRU Department of Music as we celebrate Homecoming 2022, featuring the Camerata Chamber Orchestra, Symphony Orchestra, Spartan Marching Band, Concert Choir, Jazz Ensemble, and Symphonic Winds!
Saturday October 8, 2022

Chemistry Coffee and Conversation | 9 a.m. - 10 a.m.  
Clapp 405  
Meet and enjoy conversations with members of the department, students, and the chair, Dr. Anna Samia.

Spartie's Pregame Party & Tailgate | 11 a.m. - 1 p.m.  
Linsalata Alumni Center  
Join the Spartan community as everyone gets ready for the football game! This pregame event will provide all-you-can-eat stadium food, the CWRU marching band, an open-air photo booth, balloon artist, and, of course, Spartie! The student tailgate will be outside on Juniper Road with even more entertainment and a beer garden for all to enjoy!

Homecoming Football Game | 1 p.m. - 4 p.m.  
DiSanto Field  
Go Spartans! Cheer on the CWRU Spartan football team as they take on the St. Vincent Bearcats!

College of Arts and Sciences Student-Led Tour: Cleveland Museum of Art | 3 p.m. - 4 p.m.  
Cleveland Museum of Art  
Graduate students from the Department of Art History will lead tours highlighting their favorite museum pieces and showcasing their expertise.

College of Arts and Sciences All-Class Reunion Dinner & Awards Celebration  
6 p.m. - 9 p.m.  
Linsalata Alumni Center - Great Hall  
Join Dean Joy K. Ward as we celebrate the College's Distinguished Alumni Award winners, the 50th reunion of the Class of 1972, members of the Biology, Chemistry, and Spanish reunions, and all others returning to campus to celebrate. A brief reception will occur before our banquet dinner and awards presentation.
Additional events of interest

- Thinkbox tours are offered throughout Homecoming and Reunion Weekend, please check the general schedule and register for a tour that fits your itinerary.
- On **Saturday, October 8th**, the Case Alumni Association is hosting two events that may be of interest:
  - Case Quad Open House from 10 am - 1 pm
  - Faculty Lecture: **Navigating the Human Side of Technology**
    - As he pioneers neural engineering and smart prosthetics, Professor Dustin Tyler, PhD ’99, addresses ethical questions posed by advances in biomedical engineering. The director of Case’s Human Fusions Institute will lead a panel discussion on where science is taking us and how to safeguard humanity.
      - A distinguished panel of Master of Engineering Management alumni includes:
        - Fulter Hong ’02, MEM ’03, Senior Manager of Global Business Operations, Google
        - Abdou Ayoub, MEM ’05, founder, Managing Director, and data analytics specialist, Paragon Shift
        - Kyle Brower ’09, MEM ’10, Senior Manager, Aerospace & Defense practice, Accenture
        - Chioma Onukwuire ’17, MEM ’18, Compliance Analyst, privacy specialist, Wells Fargo
  - Sponsored by The Master of Engineering Management Program and Case Alumni Association
